

# Triage Plus MSP: Your Total Workforce Solution

Triage, with its long-standing history of staffing top-tier nursing and allied professionals nationwide, now offers Triage Plus, a Managed Services Program (MSP) specifically designed to streamline labor processes and cater to the unique needs of healthcare facilities. We prioritize patient care by meticulously mitigating risks, monitoring clinical escalations, and ensuring that our suppliers consistently adhere to our standards.

## World-Class Fulfillment

Triage has been in the staffing industry since 2006, growing into a top-ranked agency.

## Unwavering Support

Specialized support, compliance, and clinical teams promote smooth operations and a strict adherence to compliance standards.

## Lower Costs & Improve Outcomes

Efficient financial management through Triage Plus ensures cost savings, transparency, and data-driven decision-making for facilities.

## Customized & Flexible Solutions

Triage Plus offers exclusive partnerships, a robust vendor panel, or a vendor neutral VMS model - whichever works best for you, we're here to deliver.

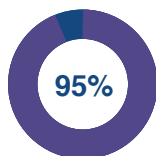

Our program enhances workforce management and contingent labor visibility, granting clear insight into strategic planning and staffing solutions. Our clinician-driven model streamlines healthcare staffing through superior care quality, strict compliance measures and an optimized placement processes for better patient outcomes.

The Triage Plus program has demonstrated impactful results including:

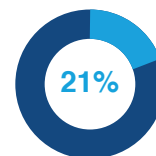

### Participation

in job requisitions within 5 days of posting

### On-Time Starts

### Avg. Reduction in Bill Rates

based on Market Rate Adjustments

## Cutting-Edge Technology for Seamless Operations

Triage Plus is not just about staffing; it's about providing a Total Talent Workforce Solution that includes state-of-the-art technology, ensuring you always have the right mix of talent. Our platform offers:

- **Efficiency through Automation:** Streamline your staffing processes and reduce administrative burdens.
- **Real-time Metrics Dashboard:** Make data-driven decisions with extensive visibility into staffing and compliance.
- **Integrated Technology:** Reduce manual work and invoicing errors by syncing with client-specific controls and workflows.

Our technology is designed to alleviate your team's manual lift and focus on what matters most—patient care.

## Frequently Asked Questions

### How does a partnership with Triage Plus's Managed Services Program (MSP) function?

Our clinical team will collaborate closely with your staff to understand your specific needs and challenges. An MSP partnership empowers you to identify the best clinical talent, control costs and manage a diverse vendor panel. All with one point of contact, one invoice and one contract.

### Does Triage Plus cater to non-clinical staffing needs?

Triage Plus recognizes the diverse staffing requirements of healthcare facilities. Apart from clinical roles, we also provide support for non-clinical positions to ensure comprehensive staffing solutions.

### Can Triage Plus support my Internal Resource Pool?

Absolutely. Triage Plus is designed to seamlessly integrate and support your Internal Resource Pool, ensuring that your in-house talent is efficiently utilized before exploring external staffing options.

### Are there any tech-related costs for hospitals associated with Triage Plus?

Triage Plus is committed to delivering value to our partners. Our advanced technology platform is designed to enhance your staffing processes without imposing additional costs on your hospital or healthcare facility.
